LOVING THE DEAD.

An Undertakers Wierd Story About a Handsome Young Lady.

A PLEASANT BUSINESS.

Abandoning a Living Sweetheart For a Pretty Dead Stranger.

BY LEIGH IRVINE.

San Francisco, Aug. 31, 1888 .- Oue formerly a member of the ploneer firm was queer. of Cowen, Porter & Co., recently told

"I tell you there is a singular fasciof flowers, nicely arranging their white the handsome fellow's features. faces, and putting their pale bodies in the last casket."

the jolly undertaker said:

our of the day we hear with joy the or twenty years old rustling garments of the night.' Why, my boy, I look upon every new face that comes into my quiet sleeping apa:tiourney's end "

"Doesn't it pain you," I asked, "when the corpse of a life-long friend chances to come to your receiving parlors ?"

"O, my boy. I see that you do not understand what I have been telling day I told you twenty five years ago. you. Well, it does not surprise me, for nobody but an undertaker can have any proper idea of an undertakers' pleasures. Of course I do not like to have my friends suffer, nor do I enjoy having them die. Death of good friends makes the world lonely and makes tombstones out of life-long companions, but when a friend is dead it pleases me very much to give him every a tention. es my guest, and it pains me if anything happens to make his visit unpleasant, or if any of my assistants neglect him. There is after all a quiet when the sun went down, and with it pleasure in knowing that your best the sailing breeze. friends do not have to die again, that sching hearts are at rest in the everlasting sleep."

"Do you eyer have any fayorites among the dead. I mean among those you did not know during life?"

"Very ofter, indeed. I have had people come here and I felt from the start, big job you undertake," said one from the very first glance, that I wou'd have them for their winning ways."

"Look here," said I, "you will drive winning ways of the dead. What do you

"Well, sir, I mean that I like modest people, with frank countenances, whether in life or in death. Some corpse have mean countenances. I would have the Professor. declined an introduction in life, so I can not be blamed if I do not cultivate though I am past sixty I feel as strong their acquaintance in death. Some as ever," replied the guide. "But on'y seem to stare at me, and otherf look three years ago I stood at death's door, like sneaks. My boy, a dead man's and never thought to pull an oar again. face is a good photograph of what he You see, I was in the woods all winter, was in Ife. No trick of an assumed exthe eye of an old observer

"There are lovely men and women who come here, and when they leave skeleton." we all miss them and we feet lonely. It gives me great pleasure to pin a little boquet upon their garments, or to adjust their heads upon their pillows. They often really need these little at- much." tentions, and they seem pleased when we are kind to them. Of course they can not speak, but there is golden eloquence in their silence. Different posito them, and a -light change in attitudes makes the cantour and whole effect different.

"Let me tell you about a young lady who used to assist me when I lived in was to keep the entry books.

"Well, sir, that girl always had much good philosophy on the subject of death. She liked to read about the old Greenans who dressed their dead in from balsams and herbs which "grandwhite, sang odes to immortality, and placed floral decorations on their

tembs. "I often noticed that she lingered among the caskets in the parlors after with other old time preparations, selectthe corpses were prepared and nicely ed from them because proved to be the clothed. I supposed that she was simply very best of them all. It has brought studying the business, perhaps looking back the roses to many a pailed cheek into the art of embalming, or trying to there is no known remedy its equal as a learn how to give the dead an artistic cure for conghs and colds. face or setting.

"One day her affianced-for she was "Some Adopted Americans" is the pretty and a favorite-came in to chat title of an article in the November with her a few moments. He was a number of The American Magazine bright young lawyer, but he did not This article was prepared by the Editor object that she was a working girl, and of the Journalist, Mr Alian Forman, they were to be married in the fall. It who has made a careful study of the [SEAL.] October 1888. was a delightful June day, and as he lower-class immigrants and tenement left she pinned a beautiful boquet on house dwellers of New York City. Mr the lappel of his coat. Not noticing Forman has not been a mere casual obmy presence he lightly kissed her upon server, but has lived in these den-e'ythe brow, and departed. This seemed to worry her a little, and she blushed competent to give strong and graphic after he had gone. The next day when he called I thought I heard a few words poor people without any aid from his limited the latter had been a slight imagination.

Notice is hereby given to all creditors, and all others interested in the estate of Martin Meyer, deceased, that I, John Meyer, administrator of said estate, intend to make final settlement thereof, at the next term of the Probate court of Holt county, to be held at Oreson on the 12th day of November 1888.

JOHN MEYER, Administrator.

loyers buarre', and her eves were moist

"In a few days one of the hand omest young men I ever saw was brought ino our parlors. He was unknown, but from papers found on his person it was ascertained that his parents lived in andon. He had been murdered on a onely road. As he bled to death from wound in his arm of course you know he corpe was very pale.

"Two efficient servants helped me to repare the corpse for the casket. We dressed him nicely, combed his beautiful hair, arranged his very handsome mustache, gave his cheeks a few touches of flesh color with the blender and notified the young lady assistant to have a flo al tribute made for the Elks, who were to manage h s funeral.

"I then went home to dinner and I turned to the receiving parlors Miss Blanche was still working over the and placed it over his brow. Then she fairly raved over his beauty. Sie said, 'Do you know, I could marry a fel'ow as pretty as he is? Of course I thought

In The Prospectus.

which we received recently from The Youth's Companion office, we notice an array of noted Contributors which promises unu-ual excellence for the coming Volume. First among them is the Right Honorable W. E. Gladstone, affeationately called the "Grand Old Man," the greatest of living statesmen, who writes on "The Future of the English-Speaking Races." Then General Lord Wolseley, who will tell of his strange personal adventures in the field with the British armies. Then Professor Tyndall, and Justin McCarthy, who writes of "Leaders in the House of Lord." Archdeacon Farrar, on "Musifessor Huxley. Among American Contributors we find such well known names as Lieutenant Schwatka, who write-Oliver Wendell Holmes, Jr., on"Young Men in the Law," Admiral Luce, Colonel Thomas W. Knox. James Parton and at least one hundred others.

The Companion is a welcome visitor weekly in more than 400,000 families, and has won a place in home life ob ained by no other publication. The wonder is how any family can do without it. The publishers announces that any new subscriber who sends \$1.75 now, can have The Companion free every week to Danuary as full year from that date. every week to January 1.1889, and for

Frank Leslie's Popalar Monthly for December.

Mexico is so completely an unknown land to most people, that it is well to have a little insight into its history. "Our Neighboring Republic and its Presidents," in Frank Leslie's Popular Monthly for December, fully illustrated gives a connected view and portraits of all who have been at the head of the Mexican Republic from the days of H da'go. "The Silver King," by A S. Southworth, will come as a revelation to some of our anglers and sportsmen. who have lived in ignorance of that monstrous Florida herring, the Tarpon, and the sport that attends its capture. "How American Plate-glass is Made" describes an industry in which our skill and energy have out on the market a beautiful and perfect article. In "The Fairfaxes of Virginia" we read of one of the few titled families in the United States, showing that a real Eglish baron of famous pedigree is an American by birth and feeling. Horace Townsend relate very pleasantly, in "Animals and their Trainers," much that is interesting about the way in which birds and animals are brought to act as performers. "Michel Argelo," by W. W. Story, gives a true artist's estimate of the great sculptor and painter of Italy. Baldwin's recent descent with a parachute gives occasion to some illustrations and description of that dangerous invention. In the line of fiction. 'Irma," a continued novel; "The Woman He Loved." by Ellen E Rexford; "Joycelyn'; "A Memorab'e Stage-ride." by Mrs. Emma S. Al'en; "Grace." "The Romance of a R :g"and 'The House Opposite" are all very lever, and will interest each class of of readers. The young folk will be de- SORE, WEAK, & INFLAMED EYES, high ed with the continuation of "Daisys Dilemmas." Frank Leslie's Popular Monthly, in excellence and extent of matter and illustration, saurivaled.

I're been a sufferer from rheamatism for years and have be n unable to abtain any relief at all. Salvation Oil gave me entire relief and I heartily re commend it. Henry Winkel, Baltimore, Md.

News From The Railroads, -The **Burlington's New Vestibuled** Chicago Train.

Last night the Chicago, Burhagton & Quincy road entertained representatives rom all the daily newspapers at supper on the new dining car of the new vestibuled express, running between this city and Chicago. The train consists of two magnificiently appointed vestibule sleepers, one running to St Louis, the other through to Chicago. with the during car sandwitched in between them. The sleepers are the most elegant coaches eyer put on whee's. They are upholstered in blue plush, with and closing out the passage. At the which is a dressing case and mirrors with the necessary implements for pre room, with water basins set in Italian marble. The gentlemen's apartment is in the front of the coach and consists of a handsome smoking room with three basins and a closet. The entire coach is fitted up with plate glass mirrors. In the partition dividing the smoking room case containing about 200 volumes of choice literature. The duning car was built by the company and is furnished in the most elaborate manner. It has been christened Kansas C ty, and in the richness of its appointments and completeness of its details rivals any thing of the kind in the world. The train left promptly at 6:05, and as it moved out the porter announced that supper was ready. The party paid their respects to one of the most elaborate feasts that they had ever encountered, and from the way they disposed of the tempting viands it looked as though they never expected to see another .- Kansas City Journal, Sunday, October 7th, 1888.

Burlington Earnings.

The friends of the Burlington will be glad to learn that the September earnings, which will be posted between November 1st and 10th, will show a very handsome increase over the same month in 1887, which was one of the heaviest in the history of the road. The officials are also doing a va-t amount of improvement work, especially on the track and in the purchase of new and elegant ro ling stock -Kansas City Times October 16th, 1888.

ONE of the boldest engineering schemes brought forward for a long time is that proposed by Major Powell of damming up some of the canyons of the Choice Wines, Liquors, Cigars, Rocky Mountains, and converting them into immense reservoirs of water, for use in irrigating the plains below, and also serving to regulate the flow of water in the Western tributaries of the Mis-i-sippi. The-e immense ravines, extending far into the heart of the mountains, with their comparatively narrow mouths, offer extraordinary opportunities for accomplishing such a work at a small expense. The practical value of such a system of reservoirs however could only be determined by actual trait.
